

February 2017

ICE Europe 2017 Jubilee Awards: Online voting now open

The World's Leading Converting Exhibition, ICE Europe, will take place for the tenth time from 21 to 23 March 2017 at the Munich Trade Fair Centre, Germany. To celebrate this jubilee event the organiser, Mack Brooks Exhibitions, presents the ICE Europe 2017 Jubilee Awards for best practice, excellence, innovation and extraordinary performance in the converting industry.

The submission of entries for the awards by exhibiting companies is now closed; a large number of this year's exhibitors have participated with their product innovations and technical advances.

Now the entire converting community is invited to cast a maximum of four votes online for their favourites, one in each category: <http://www.ice-x.com/europe/english/awards/view/>. The online voting ends on Sunday, 5 March 2017 at midnight. Participation in the voting is free of charge.

The winners of each category will be honoured in an official awards ceremony at ICE Europe 2017, on Tuesday, 21 March 2017, at 3 pm. All exhibitors and visitors are invited to join this ceremony.

ICE Europe 2017 will open its doors from 21 to 23 March 2017; on Tuesday and Wednesday from 9.00 to 18.00 and on Thursday from 9.00 to 16.00. Tickets are available at a favourable price from the online ticket shop on the show website.

Further information on the exhibition and an up-to-date exhibitor list are available at www.ice-x.com/europe.
